U.S. Patent & TMO/TM Mail Rcpt Dt. #78

Sir:

Applicant through its undersigned counsel hereby moves this Board for an order suspending the instant appeal, and the requirement for applicant to submit an appeal brief, for two months, until 15 November 2003.

The basis for this request is as follows:

Undersigned counsel for the applicant in this matter has been advised by applicant's general counsel that applicant has acquired ownership of U.S. registration 843,945, which is the registration cited by the examining attorney against the instant application, necessitating the current appeal.

**ATTORNEY DOCKET: 92169.66001  
TRADEMARK**

Undersigned counsel for the applicant is further advised that the attorney responsible for the matter of acquisition of U.S. registration 843,945 in applicant's general counsel's office has left that firm and, as a result, there is some difficulty in locating the relevant papers evidencing applicant's acquisition and current ownership of U.S. registration 843,945.

To provide time for locating the relevant papers and having the relevant documents recorded in the United States Patent and Trademark Office to evidence applicant as the record owner of U.S. registration 843,945, applicant's undersigned counsel respectfully requests suspension of the instant appeal for two months.

Obviously, once the relevant papers are located and recorded in the United States Patent and Trademark Office establishing applicant as the record owner of U.S. registration 843,945, this appeal will be moot.

We respectfully request notification of suspension of this appeal for a period of two months.

To the extent there is any fee required in connection with the receipt, acceptance and/or consideration of this paper and/or any accompanying papers submitted herewith, please charge all such fees to deposit account 50-1943.

Respectfully submitted,

Date: September 15, 2003
